Making Tracks

We've Made Some Changes
and We're

Making Tracks

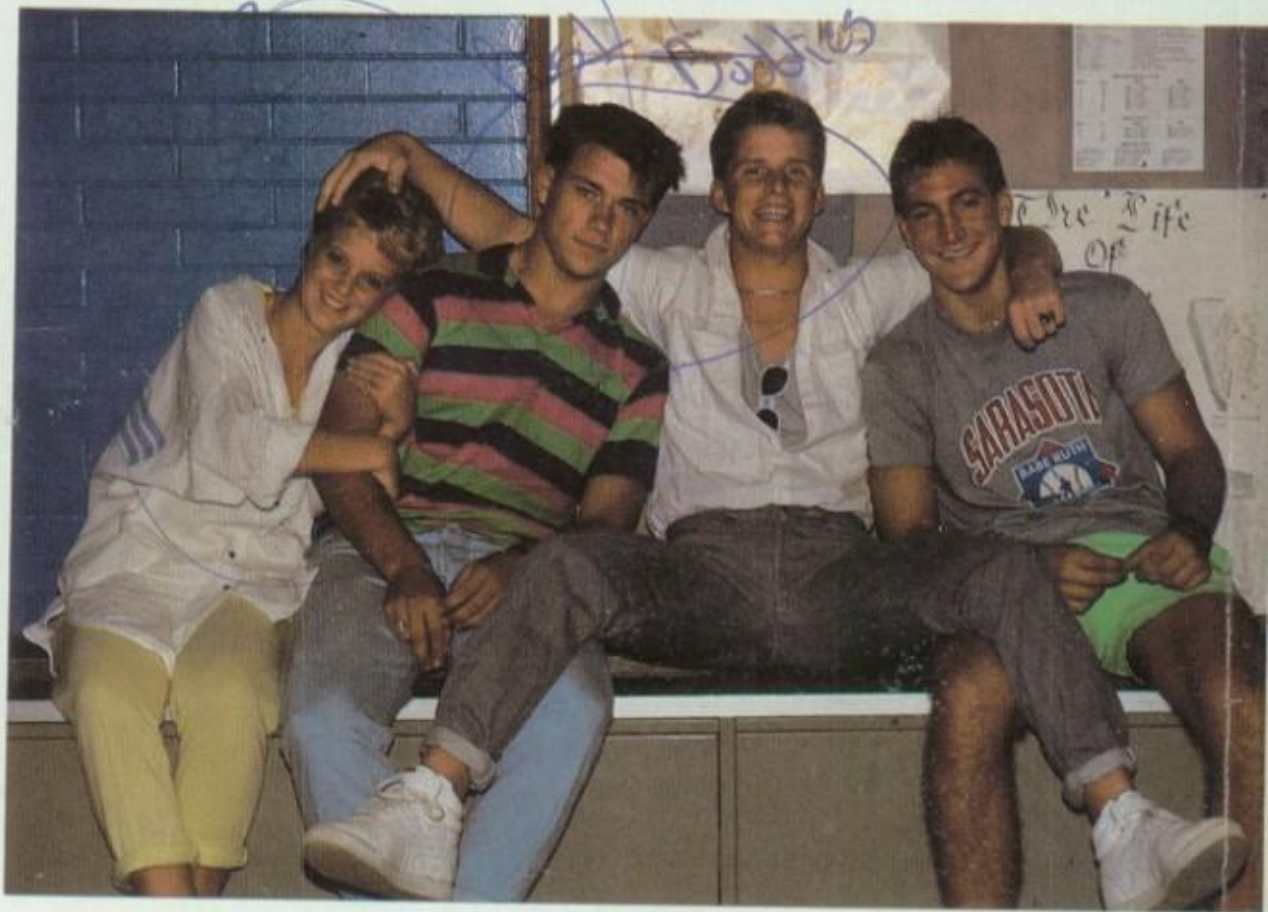

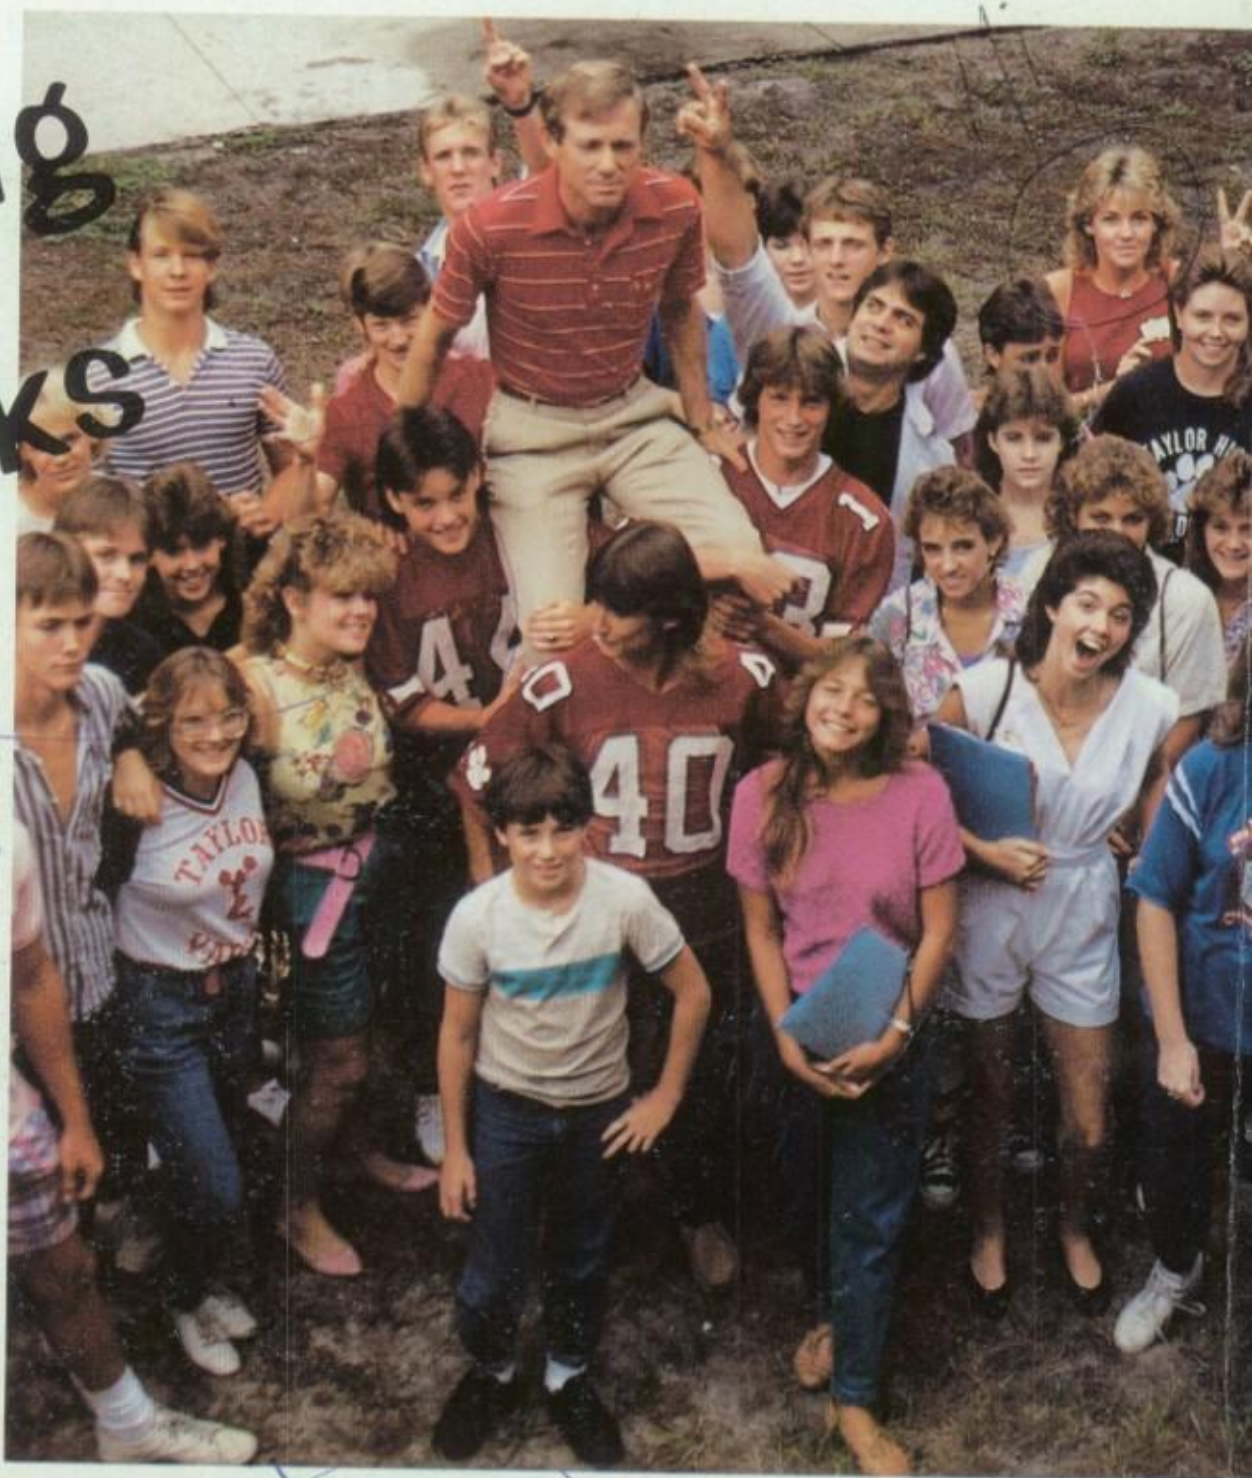

in a New Direction

Evidence of change appeared everywhere as we returned to school this September; fresh faces, fresh spirits, and the fresh tracks of a new look all around. Taylor High was no longer the same high school we left in June. Since that September day, we have grown and prospered and have made many changes for the better.

Not only did the students find new teachers, but we welcomed a whole new administration to Taylor High. The administration, under the leadership of our new principal, Mr. Paul Dykstra, worked with increasing dedication and drive to set our school on track for the year. Their enthusiastic approaches gave life to all our spirits as the school year got underway, and our Wildcat family has continued to thrive through the year.

Besides new people and a new outlook, we found a fresh look, as well. A new, freshly marked track circled the football field, and Taylor High cheered on a new track team this spring. Inside the buildings, bright and shiny paint gave Taylor's walls a new and polished look.

While Taylor High School is still our favorite school, it is a different school from the one we knew last year. There is no doubt about it, we're making fresh tracks in a new direction at Taylor Jr.-Sr. High.

Fun Tracks

As always, every student at Taylor Jr.-Sr. High loves a little fun, and that means students make tracks in different directions when the weekend arrives. Some trek to the beach or the springs, while others take in a movie or get together with friends for a hamburger.

Perhaps the greatest fun in this area, where big trucks are abundant, is muddin' in a 4x4. Masters of the wheel wield a special skill, spinning out and splattering mud.

While the weekend makes for the best time for fun, we have our share of laughs during school hours and after school, weekdays. Club and group meetings after school keep students' schedules packed with friends and fun things to do. "I'm going to be in every club this year" can be heard from many students who want to cram in the most activities.

Studies have their place at Taylor Jr.-Sr. High, but after school and weekends you will find students making all kinds of fun tracks.

Ben, Teresa, Jason, and Kim; Smile everybody! Come on Taylor, **Beat, beat Lopez!**" Opposite page: Audrey, we know that's a fake smile, who is actually enthusiastic about school? Well guys, looks like another exciting day at school. Crystal is caught in the middle of a conversation. Looks like Bill is shooting off at the mouth again!

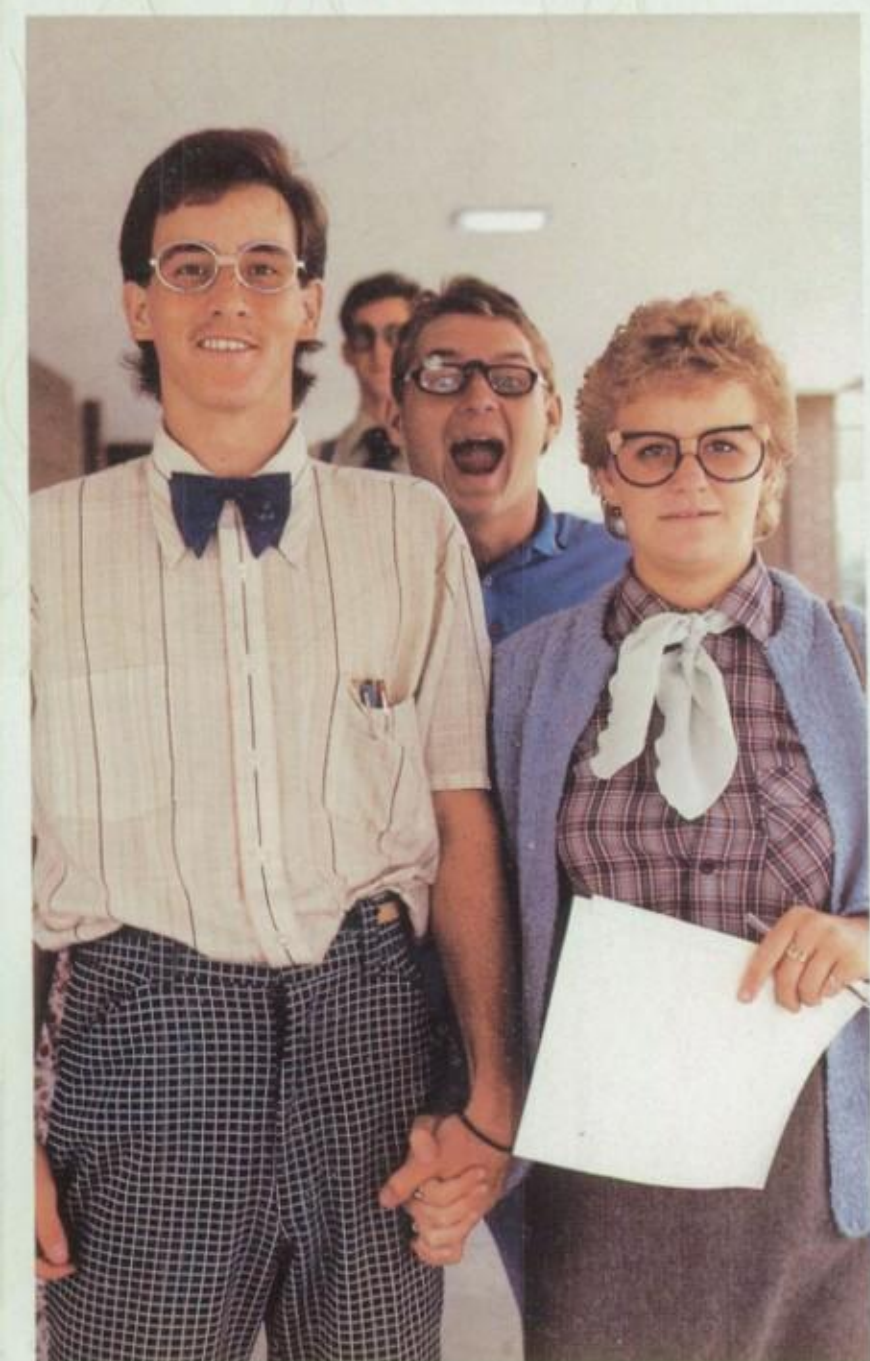

Seniors

Charles and Lori show their cool, school spirit. Anissa has Les in a choke hold. Mrs. Strout's 6th period English class. Seniors celebrate Nerd day. **Opposite page.** Seniors are in preparation for our first pep rally. Les, Billy, and Nikki are a few of Taylor's fine students. Kiki, Scott, and Monaca show off their favorite T-shirts.

What a
great year!

Kelly,
 Wow, this junior year was great, huh?! Can you believe how fast it went by? I'll always remember us together in Health class, what a TRIP! 😊 (Do you want to go in halves w/ me on buying some of those rad movies?!) Thanks

Kimmey and Lori, all dressed up and no place to go. Tom, Darby and Albert display the cool look. Are you studying hard Scott? **Opposite page:** Look at all the nerds! Come on everybody, let's go Hawaiian!

Melissa prepares for studies at home as she decides which books to take from her locker. **Candice** and Michelle may be doing some strange after school prowling from the looks of their witch costumes. They're actually all dressed up for twin day. **Raymond** demonstrates what it feels like when the last bell of the day rings. **Opposite page:** Suzie heads off to work, a familiar practice of most of Taylor's students. **Mr. Williams**, always around after school to keep things quiet, seems to have no problem keeping this group under control. During "school off hours," **Carla**, Mike and Jeniece stop for a greeting while shopping for cards. **Craig**, always true to character, pauses at a display window for some after school antics. **Heading home** by bus, this student finds the seat a good place to rest her head.

Led by the cheerleaders, Bonfire pep rally fires up the wildcat spirit. **Wildcat** brass players, Kenny and Scott, sound a high note for team victory at the pep rally. **Kristen**, Michelle, Holly, Monica, Heidi, and Lydena try wildcat red and blue hair. **Opposite page:** Varsity cheerleaders match up with a red fire truck as they anticipate the football game. **Daryle** finds a moment to contemplate, it seems. **Seventh graders** mimic the Senior spirit banner as they sport punk sunglasses for the pep rally. **SAE** members proudly display their new raspberry jerseys just in time for spirit week.

Homecoming

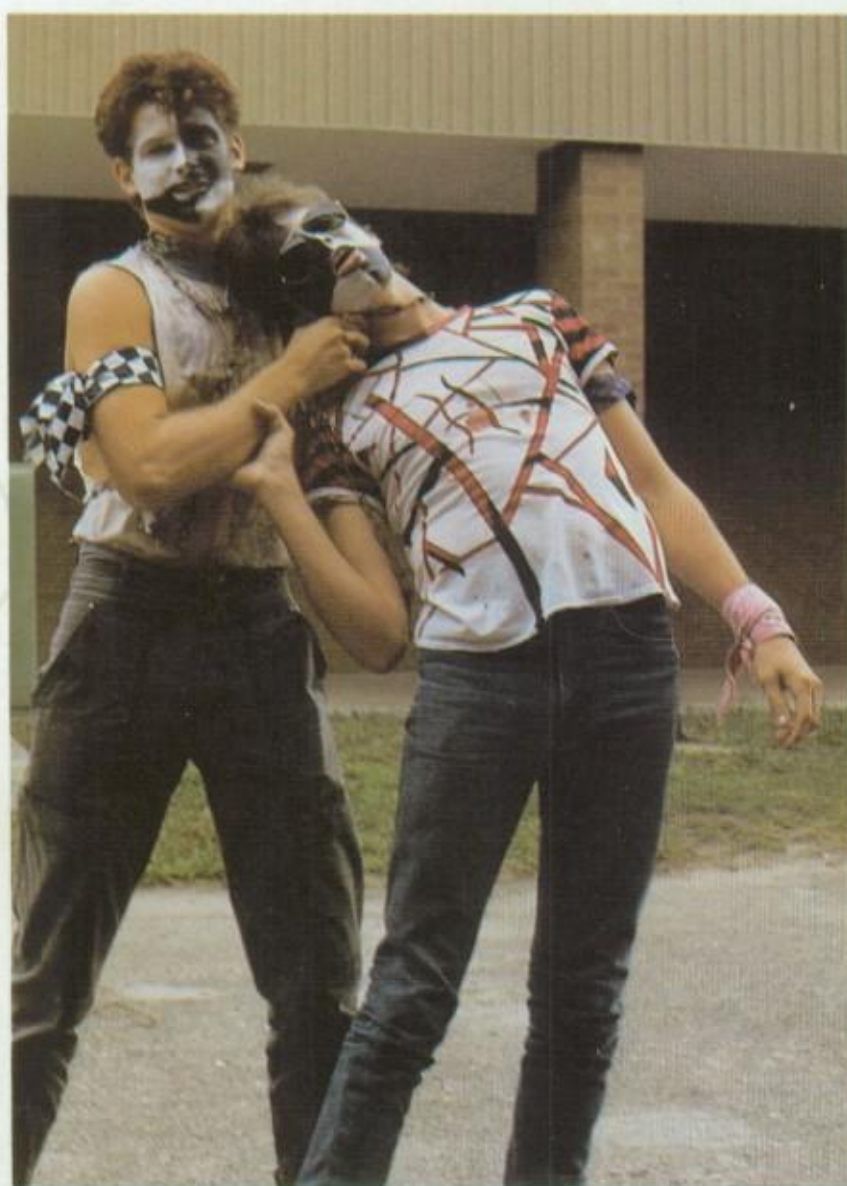

Eighth grade students are all smiles after finally finishing their float. **Homecoming** king and queen, Brett Barker and Tammie Lindsey, get the royal treatment for the parade. **Seventh** graders, Mika and Greg seem to have an over supply of cameras for "tacky tourist day." **Opposite page:** Although these Taylor High students look like they slept in, their pajama dress actually shows their Wildcat spirit. **Two visiting** tourist have that "truly tacky" look for school spirit. **Tom Bexley** waits patiently for the Homecoming parade to begin. **Firing up** the Wildcats spirits, two students toss for the Indian effigy into the bon fire.

Punks, Scott and Jim, seem ready to do violence to Taylor High. Students gear up for the Homecoming parade dressed for both spirit and Halloween.

Kristy, Pam, and Lisa make sporty spinning wheels. Kelly gets her make-up picture perfect for the parade.

"Climb 'Til Your Dreams Come True"

**Congratulations
Seniors**

Often your tasks will be many,
And more than you think you can do . . .
Often the road will be rugged
And the hills insurmountable, too . . .
But always remember, the hills ahead
Are never as steep as they seem,
And with FAITH in your heart start upward
And climb 'til you reach your dream,
For nothing in life that is worthy
Is ever too hard to achieve
If you have the courage to try it
And you have the FAITH to believe . . .
For FAITH is a force that is greater
Than knowledge or power or skill
And many defeats turn to triumph
If you trust in God's wisdom and will . . .
For FAITH is a mover of mountains,
There's nothing that God cannot do,
So start out today with FAITH in your heart
And "Climb 'Til Your Dreams Come True"!

Helen Steiner Rice

. . . If thou canst believe, all things are possible to him
that believeth.

Mark 9:23

With love

Our senior year is almost over and we're ready to conquer the "real" world, (or are we?). It has been an excellent year, full of life and excitement. Graduation is near and the memories of years past at Taylor High will be recalled.

We, the editors, along with the Coacoochee staff, would like to thank everyone for their cooperation with the yearbook. Most people do not understand all the time and hard work that goes into publishing a yearbook, but to accompany all the long hours needed to meet our deadlines, there were many enjoyable experiences that we will always cherish. We would like to give special thanks to Mr. Bolin, Taylor Publishing Company representative, for his eighteen years of cooperation with the Coacoochee.

In completing another successful yearbook, we have accomplished our goal in making tracks in a new direction. The year flew by quickly, and as seniors we look forward to new experiences and hope that all Wildcats will continue to "make tracks" in the years ahead.

Thanks again,

Jack Murphy Staci Dornale

Kelly,

How many years has it been?
We've known each other for 5 years
Now what can I say? Good luck,
Have a good Summer, Naw! Why be normal
I always have to write something
long so you will make sure and
remember me. A lot has happened
to you over the last year. How
many wrecks have you had? Is
it 3 or 4. So do you think from
compared to last years, I couldn't
tell you because I never really
saw you. Never forget about from
and all of the flowing Champaign.
Let's hope that you'll stay
out of trouble and come back
next year with no damage to
your beautiful. Well it's time to
end another year and end
another page. Stay cool and
for god sakes stay out of
trouble. Love,
Tan Bexley

Kelley, I'm glad we've become better friends this year than we have in the past. You are a very sweet person and I wish you the best in life. I hope to see you here next year. It wouldn't be the same without you. I'm glad I had a class with you going to the next year. (Kim is Dashed)
